During his initial four year term as a County Commissioner, Mr. Ritz served as Chairman of the Land Use Committee and Vice-Chairman of the Budget and Finance Committee. He also chaired the Ad Hoc Ethics Committee which led to a stringent Countywide Ethics Ordinance. His chairmanship of the Ad Hoc Adult Oriented Business Committee led to the County's adoption of a very strong Adult Oriented Business Ordinance. While the local entertainment clubs have sued in Federal Court, their last appeals to date have all failed and the County's ordinance should go into effect in late 2010 or early 2011.

Because of the inadequate financial treatment of the MED by the State of Tennessee TennCare Bureau and the U.S. Department of Health and Human Services Medicare and Medicaid Bureaus, Commissioner Ritz filed a formal complaint against both agencies claiming their actions were discriminatory and have had a discriminatory effect on the MED's patients and employees.

Mike Ritz currently serves as Chairman of the Budget & Finance Committee, Vice Chairman of the Land Use, Planning, Transportation & Code Enforcement Committee and the Audit Committee and serves as a member of the Hospitals & Health Committee and Delinquent Tax Property Committee.

Commissioner Ritz is married and has two grown children. He is an active member of Germantown United Methodist Church.
